

Dr Gill Clark:

Research Policy and Practice in Scotland

- **Dr Gill Clark: Research Policy and Practice in Scotland**
- For detailed information on the collaborative projects and activities Gill Clark outlined in her presentation please download brochures written for practitioner and policy audience:
- **Will it work in Scotland? Systematic reviews and policy transfer for Scotland**
- <http://www.esrc.ac.uk/funding-and-guidance/collaboration/seminars/archive/policy-transfer.aspx>
-
- **Knowledge transfer, knowledge exchange and knowledge brokerage in Scotland 2005 – 2010: the map, the model and the territory**
- <http://www.esrc.ac.uk/funding-and-guidance/collaboration/seminars/archive/Scotland-report.aspx>
- For more information on research and analysis in the Scottish Government the Scottish Government Research in Scotland webpage is a good starting point: <http://www.scotland.gov.uk/topics/research>
- To contact either Gill Clark or Euan Dick (the Scottish Government analysts at the CEBCP and SIPR symposium) please email:
